

WHAT WILL BE THE CONTRIBUTIONS FOR THE INCOMING ETHIOPIAN NEW YEAR?

Perfect love and blessings in the house of Qadamawi Haile Selassie and Empress Menen

Greetings Rastafari Family

The Iwa of September 11th 2009 will bring joy to Rastafari over land and sea as the old year will gently make way for the new.

What will be the resolution be? Will the I contribute to Ethiopian Affairs, will the I migrate or repatriate, will the I learn more about Ethiopia and its culture, will the I be more conscious as Rastafari, putting away disrespectful behavior, schemes, deception, and negative attitudes, will the I read more of the Utterances of Qadamawi Haile Selassie and sight the dutifulness and royalty of Empress Menen, will the I do less biblical comparison of Qadamawi Haile Selassie and accept H.I.M for who he is?

Or will the I be satisfied to be a back bencher, a finger pointer, a hot air blower, a masquerading flyer of Ites Gold and Green?

What will it be?

I man will just share this useful info to show that international agencies are making their contributions –What will be ours Rastafari family?

Have a prosperous New Year Ethiopia
