Councillor Delroy Giscombe  
The Mayor  
**St. Ann Parish Council**  
Main Street St. Ann's Bay PO  
St. Ann

Greetings Councillor Giscombe,

**Re: Proposal to name the North Coast Highway the Hon. Robert Nesta Marley Highway.**

The Hon. Robert Nesta "BOB" Marley O.D. worked tirelessly in spreading Reggae Music and the message of Jamaica worldwide. Through his work, he gave the world profound and beautiful music and at the same time, promoting our Island home, Jamaica, the One Love destination.

The Bob Marley School for the Arts Institute is proposing that the North Coast Highway of Jamaica from the Sangster's International Airport to Ocho Rios via Trelawny be named the Hon. Bob Marley O. D. Highway to give the respect and gratitude in HIS honour. Bob promised that none of us, his seeds, shall beg bread and understanding his words, the benefit to us, his children, will:

- Give all of us a marketable address to do business like visitor tours highlighting attractions along the Bob Marley Highway
- see more entrepreneurial ideas resulting in employment and see our own Jamaican Brothers and Sisters exploring and learning more about our Reggae Culture on the Bob Marley Highway

One perfect love

Founder/Chairman of the Board
