Theme

***Rastafari Reality – Reparations & Repatriation -Empowerment
into The New Ethiopian Millennium***

Friday 15th December 2006

Resolution

Whereas the United States of America and France have violated several United Nations agreements and illegally interfered in the internal affairs of a sovereign state, the Caribbean Nation of Haiti, leading to serious economic, social and political instability and the ousting of a democratically elected leader of a CARICOM State

And Whereas continued interference by these counties has prevented the currently elected leadership of Haiti from effectively governing and continuing the economic and social development programmes necessary to return Haiti to a semblance of normalcy

And Whereas the Caribbean Rastafari Organization welcomes the return of Haiti to the CARICOM family

Be it resolved that the 11th Summit of the Caribbean Rastafari Organization, held in St.Vincent & the Grenadines from 8th – 15th December 2006 condemns the illegal interference in the internal affairs of Haiti and deplores the atrocities against the Haitian people highlighted by recent abuses by peace keeping forces

And the 11th CRO Summit hereby calls on CARICOM Heads of Government to intensify their efforts in assisting to alleviate the desperate plight of the Haitian people, to pressure international governments to desist from destabilization policies and to assist instead in expediting the economic and social programmes for the hasty recovery of this beacon of African independence, Haiti.
