

## The rise of the Anti-Christ and His Government

In the year 2000 on the 26th of June, 200 delegates from different religions around the world assembled at a conference to usher in the new United Religions. These delegates were from 13 religions of the world, these religions confess and profess different gods, and different ways of living and teachings, they are:

1. Christianity
2. Judaism
3. Islam
4. Hinduism
5. Buddhism
6. Ancient pagan religions
7. East religion
8. BaHai faith
9. Magic religions
10. Pantheism
11. Sikh
12. Tao
13. Zoroaster

Revelation 13:1-10 = The Anti-Christ  
Revelation 13: 11 = The False Prophet  
The Anti-christ is lord Maitreya  
The False Prophet is Pope Benedict XVI

Their Government will be based in Jerusalem, and their spiritual in the Vatican.  
(Remember the Vatican is a State)

This is the beginning of their False Millennium, the year 2000 AD.

(Note because of Deception most people within these religions are innocent, and are not aware of this sinister plot against the "Almighty")

## The rise of His Imperial Majesty Emperor Haile Selassie 1 and Rastafarians

At the close of the Millennium and the dawn of the New Ethiopian/African Millennium, many delegates from 13 Mansions of Rastafari, called the All Mansion Council, assembled in a Theocratic Assembly on the 17th of August 2007, to usher in The Global Theocratic Government of His Imperial Majesty Emperor Haile Selassie 1, the Ethio-Africa Diaspora Union Millennium Council, these Mansions confess and profess the same God, with the same livity and teachings, these mansions are:

1. First Ancient Order of the Nyahbinghi
2. E.A.B.I.C (BoBo Congress)
3. Twelve Tribes of Israel
4. School of Vision
5. Royal Ethiopian Judah Coptic Church
6. Haile Selassie Theocracy Government
7. Ethiopian Orthodox Church (Maxfield Ave.)
8. Rastafari Centralisation Organisation
9. David House
10. International Peacemakers
11. Dreaded Nyahbinghi
12. Camp David
13. Ethiopian World Federation (EWF)

Revelation 14: 1 reveals H.I.M and Rastas

Their Government will be based in Addis Ababa, and their spiritual in Ejarsa Goro.

This is the beginning of the True Ethiopian/African Millennium, the year 2007AD.

(Note because of the Truth all the people within these mansions are conscious and aware of this sinister plot against the "Almighty")

As can be seen from this scenario the Order of Lucifer, the spirit of the mix-up order is nearly similar to the Order of Melchisedek, the Order of the Nyahbinghi, the spirit of the higher heights. The rites of the Order of Lucifer are worth dying

for. The rites of the Order of the Nyahbinghi are worth living for. This is the wisemind of the Righteous and the Humble.

Let us look at this mystical number 13, the different religions were 13, the mansions of Rastafari were 13 and Revelation 13 reveals the two Beasts. The first is lord Maitreya and the second is Pope Benedict XVI, these two will play a big role in this One World Order and Religion, after lord Maitreya re-appears, remember he can appear and disappear at will anywhere in the world as has happened in Kenya and elsewhere in the world mostly in America.

Lord Maitreya will re-appear in Jerusalem where there will be Jews, Christians and Muslims, remember all of them are waiting for a Messiah, who will come for the religious and non-religious alike, so will be accepted by these religions, and the Pope the false prophet will tell the world to accept him, and the two are critical to the formation of this One World Order and Religion, he will be carrying the twin message of "Peace and Safety" which is central to all religions, it will happen bringing a false sense of security, then will begin the great Tribulation.

In 2003 in March InI convened a Youth conference during the Ilabration of Adwa in South Africa. In that conference I General Salem and the R.Y.I elders conscientised the Youth about the coming "Global Reasoning" that would take place in Jamaica the same year and what needed to be done before the Ethiopian /African Millennium in 2007. In response to His Majesty's command, InI devised a plan which InI called the "The Star Order Five Year Plan" with specific objectives to be achieved after five years and InI resolved that InI should participate and be part of the deliberations and resolutions that would be reached at that "Global Reasoning" because the resolutions of the Rastafari Global Reasoning would be a guide towards realising the goal of a Global Rastafari Secretariat, and other important Rastafari issues.

Therefore InI were part in spirit and mind of the resolutions that were taken in that Theocratic reasoning. Subsequently the Panama Summit was part of those resolves.

In Panama in 2005 was a resolution with many other resolutions that the next Rastafari Global Inity Conference must be held either in:

Jamaica  
Brazil  
U.S.A  
Africa  
Barbados

It was at this stage that InI in R.Y.I proposed that the Venue for the next Global Inity Conference be Africa inside the continent, because InI argued that the future of Africa and of Rastafari must be decided once and for all inside the continent, we said that the Rastafari Movement and Faith must footprint in Zion (Africa) and in this case South Africa, because there are more Rastafarians in South Africa than anywhere outside of the Caribbean Islands.

To show that this happened despite the negatives at the time, the Global Inity Conference was blessed and fulldorsed by the massive, and it did take place in

2006 in South Africa and was attended by all Mansions, Houses and organizations of Rastafarians in South Africa, and the All Mansion Council was proposed, and the name Rastafari National Council for Inity was agreed upon in principle, because there was already a Rastafari National Council in South Africa representing only the Nyahbinghi, and Iaman General Salem had already consulted personally with the R.N.C, and other formations of Rastafari between 2004 and 2005 to reason about forming an inclusive All Mansion Council for Inity, so due process was properly followed both at home and in Jamaica when InI sent Binghi Itah to meet the Ancients and the Global family in 2006 for InI presentation and conference bid, a delegate from America was present, and brothers from neighbouring countries attended, the conference was in Gauteng, Grassmere Soweto, Pretoria and in the North West University, Mafikeng.

Elders of the Nyahbinghi from Cape Province were present as was the House of Melchisedek, and others, a report was released after the conference, the Rastafari Global Family, especially the Ancients and Administration of Rastafari acted and assembled again at a Theocratic Consultation in 2008 in Jamaica to chart a way forward and maintain continuity.

The [Rastafari Code of Conduct](#) was ratified after many inputs and reasonings by the Rastafari Global family, the Nyahbinghi Guidelines were revised, the Rastafari Movement was taken on a spiritual journey that saw the Movement and Faith footprint in Ejarsa Goro, in Africa, Zion Ethiopia, and this spiritual trod was sealed up in South Africa by the Ancient Irie Lion and Sista Ijanhya Christian in 2009, the rest is history.

There was no evil in InI intentions to have the Global Inity Conference in South Africa, because even the former president of South Africa Mr.Thabo Mbeki had promised that South Africa will help the Rastafari people when he met them in Jamaica in 2005. InI took advantage or acted upon the developments that were there in the Rastafari Movement's agenda. InI are still propagating and agitating for the formalization of this Inity body, that will see Rastafarians United and being part of the Ethio-Africa Diaspora Union Millennium Council. This is I wish for the Rastafarians in Azania. InI plead with the Global Rastafari family, especially the EADUMC, for further advice and help. If for any reason I have offended anyone with the above gist of events, my sincere apologies, if there is any error Iaman is ready for correction, in the Irit of Love, Inity and Righteousness.

At the time of writing this message Rastafari Sons and Dawtas of H.I.M Emperor Haile Selassie 1 and H.I.M Empress Menen in Azania, are in a process of formalizing this body in December 2011 and early in January 2012. Hopefully this will be finalised soon, and a report be given to the Global family.

Guidance and protection.  
Give thanks and Ises always,  
To H.I.M. Emperor Haile Selassie 1 forever.  
General Salem (R.Y.I) RSA

To reason on this please send messages to Rasta Ites and they will be passed forward and may be published on the site
