HIS IMPERIAL MAJESTY EMPEROR HAILE SELASSIE I
States;

“Having in view the prosperity of the Country, We have decided to draw up a **Constitution** which safeguards such prosperity based on the Law and We have hope that this **Constitution** will be a source of well-being for Ethiopia, that it will contribute to the maintenance of Our Government and to the happiness and prosperity of Our well beloved people, and that it will give satisfaction to all. Having expressed and made clear Our will, We have accordingly decided to grant this **Constitution**
