E-MAIL CLARIFICATION OF THE NYAHBINGHI ORDER

The open door policy of the Nyahbinghi Order has invited all kinds of spirit in our midst. Some blast off on their ego trip creating controversy on the airwaves. From the days of Howell we have seen detractors among us claiming to represent the Order, where in fact it's their own selfish desire and not the will of the collective.

The Ancient Council of the Nyahbinghi Order has its representatives to represent the collective on different frontiers. On the internet we have many E-Mail addresses claiming to be the path of the Ancient Nyahbinghi Order. These are merely the addresses of many egotists from the Black Saxon domain. The war in the Irits now find a new frontier in Cyberspace.

The Nyahbinghi Order is being violated. These individuals set up E-mail sites to lure minds to their house and not the house of the Nyahbinghi Order. It is the intention of the Ancient and Administration council to set the record straight so the world could discern the true representative of the Order by knowing their proper E-mail address. All communication via E-mail should be sent to nyahbinghiancientorder@yahoo.com. **And to no other.**

Kindly Note: The address below is not Nyahbinghi address
