Words of thanks to all Ilegates

INI of the Organizing Committee of the Trinity Trod would love to bless all ones for their participation and contribution towards the Iritically Building of RasTafari Nation.

For the 2nd Edition of the Trinity Trod, INI would love to thanks the Island Delegations, present at the Trod, from St. Kitts & Nevis, St. Martin, Jamaica, Anguilla, Antigua, Guyana, Tortola and Martinique for their Iritical input.

INI reasoning have qualified INI for the challenges that await INI in future gatherings. INI wish also with all INI heart to exalt the Brethrens of St. Kitts & Nevis who hosted INI, shelter INI, feed INI and take INI to the different venues for deliberation.

INI also bless the entire Ilegates those from St Kitts & Nevis and those who came from abroad. For the collective humility that INI did demonstrate during reasoning on difficult topics such as reparation & repatriation, marriage & inheritance, baptism, death & burial, sanctification, women and men relationship, agriculture in general.

All of INI was able to let discipline, order and respect be the pilot of each topic. The maturity that was present at the trinity trod shows the willingness that INI people are ready to embark upon structuring and building the Nation of RasTafari.

INI must also highlight some of the errors mistakes and setbacks. INI need to consider where INI was weak and set stage for strengthening those loose ends: the work in the media could have been better for during the Trinity

Trod, there was not much Brethrens and Sistrens from St Kitts attending the different RasTafari Presentation, apart from the hosting committee.

It is not the first experience, INI now need to set stage whereby INI would have to decide which days of the Conference INI would invite the General Public and days to be chosen for in-house private committee reasoning.

INI also give thanks for all the Brethrens, Sistrens, Youths, Elders, Ancients and Priests, who during the formalization for the continuation of the Trinity Trod did give a word sound in favor of the formalization of that committee.

The word sound by everyone was unanimously in favor of an Iritical trod.

Being outnumbered by youths and children during the trod, INI have adopted the title of **Trinity Trod YOUTH ALLIANCE**.

INI give heartical thanks also for all ministering Brethrens, Elders and Priests, for their contribution during presentation of opening ceremony and presentation of Sacraments. From High Priest Ancient George Ions, High Priest Ras Fayaco, Nyabinghi Priest Ras Iration I and all other Brethrens and Sistrens who have fulltake and put forward their contribution. JAH crown all of the I's in a firm manner.

INI reach out the bredrin of Nevis for the heartical hosting of the Trinity Trod. Much blessings to Ras Bongo and Binghi Iroy and all of the brethren who attended the Trod.

INI would love to inform all ones that this is not a report it's just what the above says: Thanking all Ilegates, and hoping all reach safe and sound to their love ones.

INI exalt all the sistrens who trod with youths or without youths that the example set by so many empresses and youths present at the Trod have opened the eyes of all of INI who are call for the building of RasTafari Nation. INI must now stand to encourage and strengthen all of the empresses and youths and inviting them to the various gatherings of RasTafari

A final report would be sent out to all ones highlighting the Conference generally.

INI stand to thanks all ones again not only of the household of RasTafari but also all those in the system who helped and contribute to INI gathering.

Bless the Nation of RasTafari heartically
